Proposed Declaration Change to Add 1.15 (Definition)

1.15 Oversized Vehicle Parking Area is a Limited Common Element identified as Phase 15 on Exhibit A to the original Declaration as “Recreational Vehicle Parking Area,” also described as the “Oversized Vehicle Parking Area.” It shall provide a limited number of parking spaces for vehicles identified in Article 7 hereof and shall be governed and controlled by the Association.

Support: To clarify the terminology used to describe Phase 15 as defined in Exhibit A.

DRC Position: Recommends that the Board adopt

ATTORNEY NOTE: This new definition requires renumbering of current definition at sections 1.15 through 1.18. They should be renumbered to 1.16 to 1.19.
